EDITORIAL

Another season is upon us but unfortunately the league has had to reduce the number of divisions to 3, a sign of the times.

We have a new records secretary in Peter Allan of the Brewod club and I am sure we would all like to wish him well in his new post. He has, as many of you will know been looking after the Wolverhampton Summer league and I am sure he will do a super job for the WDCL. *We can all make Peters life a little easier by making sure result cards are clear and concise. Write in block capitals, add all surnames, correct Christian name and don't forget to put the match number in the top left hand corner.*

In my capacity as editor I will as in the past two seasons hope to produce a minimum of 5 bulletins.

Please note I will be on holiday from the 6th October until the 21st.

Please note

Results for county matches, individual tournaments including the Staffs cup competitions should be sent direct to me for inclusion in the bulletin, otherwise these games may not be graded.

PLAYER REGISTRATIONS 2003/4

The number in the left hand column is a unique personal ID number allocated by the records secretary, this can be used to identify individuals with common surnames.
