### EDITORIAL

After a not too good summer a new season is underway.

This will be my third season as bulletin editor, the last two years having flown by, a sign of getting older unfortunately. I wish all clubs and players an enjoyable season.

As in the previous 2 seasons I shall attempt to publish at least 5 bulletins during the season.

No doubt club secretaries will have informed players of rule changes agreed at the AGM, particularly the introduction of a new default time limit in div.3 ie 30 moves in 65 minutes then clocks back 15 minutes and play to a finish. Also that where a team has more than one team in the same division then a player from the lower team can play up to 3 times for the higher team without becoming tied to the higher team. This is a welcome change to the rules in my opinion and will hopefully help teams to avoid having to default some games.

**ACCOUNTS 2003/2004** Richard Thompson League Treasurer has asked me to inform clubs that the accounts submitted to the AGM have now been given a clean bill of health by the auditor, no changes being necessary.

### Gradings

Following advice from the BCF players are advised that as a condition of playing in any WDCL competition the player has agreed that his/her grading can be published on the BCF website. If a player does not wish his/her grading to be published then he/she must contact the BCF direct. Gradings have been published in the bulletin to assist clubs to spot any misdemeanours by clubs,(hopefully there will not be any.

### CORRECTION TO HANDBOOK 2004/2005

Congratulations to Richard Westwood and Robin Lewis on their success. Both are of course members of the Rushall Club.

Information received from Tony Crump the tournament organiser shows that entries for the above competitions have shown a decline in the past 4 years culminating in only 12 entries last season. Lets see if we can increase the numbers for the coming season. SUPPORT THE LEAGUES COMPETITIONS.
