WALSALL KIPPING D

WOLVERHAMPTON B

WOLVERHAMPTON C

I begin on a sad note. During the close season as many will now know we lost "Dot Crump " closely followed by her husband Tony. Dot will be remembered for her support of Tony and also providing refreshments at local events. Tony was of course a stalwart in both the Birmingham and Wolverhampton leagues for many years. Both will be sadly missed and I am sure I speak for all in sending our condolences to son John. Ben Payne of Aldridge Chess Club formerly a stalwart of Walsall Kipping for many years has also passed away. Obituaries for both Tony and Ben appear on the Midlands chess webb site. For those of you without access to the webb these are reproduced on the final page of this bulletin.

Also Mike Fox who in the past year or so had played for Rushall sadly passed away.

As in past years my aim will be to produce at least 5 bulletins at approximately monthly intervals. If anyone wishes me to include any item it can be sent to my e-mail or home address.

Again the first bulletin contains the registered players for each club. Where no grade is shown means that in the majority of cases neither I nor the records secretary have been able to identify that person on the BCF grading database or else they are players without a grade. There are examples eg Geoff Wesson of West Bromwich where he is shown on the BCF database but with no grade. This can arise where insufficient games have been played in the qualifying period to warrant a grade.

HANDY GUIDE ISSUED BY LEAGUE SECRETARY

Please note Warley Quinborne meet on Thursday evenings not Monday.

The information in the yellow handbook is correct.

OBITUARIES

Tony Crump

Mike Rees writes:

I first met Tony when I started work at Joseph Lucas at Great King Street, nearly 50 years ago, and joined the Lucas-chess club. Tony was club secretary and quickly made me feel at ease by playing me and letting me win. Club members in those days included Laurie Wheatley, Pete Jones, Tony brown, George Powell, Dave Price, Tony Harris and others whose names I have forgotten. I soon found out that Tony was not the worlds strongest player but had a love of the game second to none. His strength was in helping to make the organisation of chess run as smoothly as possible. As well as being club secretary he ran the lucas inter company postal chess competition , was a member of the Lucas sports and Social committee and organised chess events at the Lucas sports day. He helped organise and run the sandwell congress, was amember of the Black Country Olympics committee and ran the BDCL team lightning tournament as well as the WDCL Rock and Bidgood competitions.

Tony served on so many committees it is impossible to name or even remember them. When our club was going through a difficult period it was tony who was largeley reponsible for holding us together. I worked with Tony as the club chairman and his assistant secretary for more than 30 years and in spite of my sometimes dogmatic attitude we never fell out.. his failing health in the last years of his life did not stop him from attending the club even thuogh sometimes Tonyand Dorothy had to rely on public transport. Our club and chess generally will be all the poorer without Tony and Dot and for one will miss them greatly

Ben Payne 1933-2005

Ben sadly passed away on Monday 12th September. Those who knew him would have been aware that he had been fighting illness for some time.

For many years he and been a member of Walsall Kipping Chess Club although in recent years he had joined Aldridge which was much nearer to his home. Ben was a very active member of Walsall and at the heart of its affairs for many years. During 1980 –82 he was publicity officer. Then he became secretary for five years 1982-87 before switching to being treasurer for the next 10 years. At the same time he served for 12 years as captain of various club teams in both the Birmingham and Wolverhampton leagues. From 1982-99 he was an active member of the grading committee of the Birmingham League.

In 1990 along win the late Bill Withnall he initiated and organised a rapidplay congress under the clubs bannef. Its success led to it becoming an annual event, which continues to this day. Later from 1993-96 Ben took on the role of week to week organiser of the junior chess training scheme set up by David Anderton at the Joseph Leckie School in Walsall which included grading of results.

Ben was a first rate club member. He was always willing to put ideas forward and take on responsibilities. Even more importantly he carried out those tasks vigorously, efficiently, and with unstoppable enthusiasm. When Ben moved to Aldidge Walsall lost a stalwart.
