EDITORIAL

Another season is upon us and I hope everyone has an enjoyable season. As in previous years my aim will be to produce a minimum of 5 bulletins. *If any member or club wish me to publish anything please let me know. Items of interest plus games are welcome.*

We welcome two new clubs to the league, St Georges and Northfield Checkmates. We hope they enjoy their first season in the league. Also following the efforts of mainly the League secretary a 4th Division has been introduced, the first time a 4th division has existed for a number of years.

Also most importantly are the new time limits agreed at the AGM. These can be found on page 9 of the handbook issued to all clubs by the League secretary. These limits were introduced to try and reduce the number of adjournments. It will be interesting to know the views of players in due course.

Accounts 2005/2206

The Treasurer has confirmed that the accounts as presented at the AGM have been given the all clear by the Auditor
