EDITORIAL NOTE

I can't believe I start my seventh year as bulletin editor; the time appears to have flown by, a sign of age I think.

We start a new season and hopefully we can all enjoy our chess.

There are no major rule changes as far as I can ascertain.

If anyone wants me to include any item in the bulletin please let me know. (contact details above)

As I have now fully retired from work I cannot now get copies of the bulletin at 50% of the commercial cost. Therefore I propose to send a maximum of 2 hard copies to clubs with 2 or more teams in the league as opposed to one for each team entered which applied in previous years. The reason is of course to keep costs down. However if any club want a copy for each team please let me know.

Some clubs have now opted to receive the bulletin by e mail and this of course saves money and does mean the club receives the bulletin much quicker. Any club prepared to accept the bulletin by electronic means please let me know.
