EDITORIAL NOTE

Welcome to the new season, hopefully everyone is refreshed and raring to go.

I am sure the Records Secretary won't mind me reminding Captains to ensure that result cards are correctly completed. Also be sure to identify players accurately particularly where they have common surnames. Eg if Richard Smith don't sometimes put D (dick) Smith as this leads to confusion.

County Results 2007/2008

These were not published in the bulletin last season for a variety of reasons, but a wish was expressed at the AGM that some members were interested in knowing how things were going. Therefore I will publish the results probably in a special edition hopefully before Christmas to bring people up to date.

Please note that Halesowen Chess Club have now changed venue and their club night, details are set out below.

Night **Wednesday**
Venue **The Lighthouse Pub, 153 Coombs Road, Halesowen B62 8AF 0121 602 1620**

Note Change of Name

Please note that Northfield Checkmates playing in division 3 will from the start of the season be playing under the name of St Georges. This change has been agreed by the League and players previously registered with Northfield will be re-registered with St Georges. This arrangement will ensure that the club will be able to fulfil its fixtures.

Registrations 2008/2009

Details set out below have been provided by the Records Secretary. If anyone spots a mistake or can provide additional information please contact the Records Secretary.
