Editorial

Welcome to the new season. As usual I shall endeavour to publish a minimum of 6 bulletins during the season. Any information regarding clubs or members is welcomed.

Accommodation seems to have been a problem for some clubs in the close season, including my own. When considering a venue all sorts of factors have to be taken into account. However perhaps the most important point is playing conditions eg. Lighting, noise levels and suitability of tables. Having viewed at least 6 possible venues for my own club we reached the conclusion that it is most unlikely there will ever be a perfect venue.

My own club will be playing at the Yew Tree Social club Brackendale Drive Yew Tree Estate, which ironically is just inside the West Bromwich border.

As usual the first bulletin contains a list of registered players for each club. The number in front of the name is the division for which the player is registered. Where no grade is shown then the player will be ungraded.
