Editorial

A new season is now in full swing, but I have to admit I did not expect to be producing the bulletins this season bearing in mind that all the information is now on the League web site. However members representing clubs at the AGM did vote to have the bulletins continued in this format. It does keep me out of mischief.

I have to admit however I have been somewhat complacent in producing the first bulletin, knowing all the information is readily available on the web site thanks to the excellent efforts of Andrew and Paul. In addition since returning from a cruise on 6th October I have been suffering from a heavy cold and not felt like doing much.
