EDITORIAL

The season is now under way but already one club has incurred penalty points by fielding an ineligible player, so captains be careful and ensure players you choose are eligible to play.

Tournament organisers and County Captains are reminded to let me have results for inclusion in the bulletin so as to ensure these games are graded.

The draw for the ROCK cup appears on the web site administered by Mike Rees. For those of you who do not have access to the internet details appear on page 4 of this bulletin. Presumably players who are not shown and who have entered will have received a bye in the first round

No doubt all clubs have by now paid their league fees to the league treasurer. If not watch out.

Please let me have any items you may wish to include in the bulletin including news of members, events taking place and any interesting games etc.

Wolverhampton win on board count no 401

NOTE

The results this season appear in a slightly different format ie. 0.50 for a draw instead of ½. This is as a result of our records secretary moving into the electronic age and sending me the results via e-mail. I no longer have to worry about my one finger typing and can blame any mistakes on Peter (only joking). The number appearing alongside the totals is the match number and is there as a double check to ensure all results appear in the bulletin.
