EDITORIAL

Most clubs have now completed most of their fixtures but competition for the championship, promotion and relegation places remains tight. In division 1 Walsall Kipping are in a strong position with 1 game in hand on their nearest rivals, Shifnal/Telford A. Promotion from Division 2 is being keenly contested, with Rushall, Boldmere, and Warley all battling for the 2 promotion places. Stafford are relegated, the second spot is between Rushall and Kidderminster. A lot may depend on whether clubs can put out their best teams for the remaining matches. In division 3 congratulations to Mercia B on winning the league, the runners up spot will be decided on game count although I believe Wolverhampton have the advantage here.
