

Webmaster Report 2023

Here is a summary of the work carried out since the last AGM.

- Added the individual cup functionality to eResults to run the Rock / Bidgood. Monthly grading started in 'semi-manual mode' done by Matthew Carr.
- Added membership check to players list
- Improvements to usage on mobile screens

Various small bugs, performance improvements and endless security updates.

Plans for next season:

- Fully automate grading file sending to be weekly (rather than monthly).

Appeals (as every year!!):

- We need more scoresheets and/or interesting positions for the web. (These can be submitted anonymously if requested).
- Richard Thompson has found some bulletins (but not yet seen them). We are still missing many WDCL Bulletins particularly 1985-86, 1990-91, 1993-94 and 1995-96. If anyone has any then we can scan them and return the originals if requested.
